

## **Tax Credit Program for Individuals**

The Tax Credit Program is a unique way for individuals to support Saint Martin de Porres School.

### **Tax Credit and how it works:**

- For a one-year commitment, individuals receive a tax credit of 75% of their contribution and a Federal tax deduction for the remaining 25%.
- For a two-year commitment, individuals receive a tax credit of 90% of their contributions and a Federal tax deduction for the remaining 10%.

The Process and what to expect:

The process is fairly simple for individuals. Once you decide that you would like to participate, you can contact Leni Mayorga. Leni will explain the program and what to expect.

### **We are here to make it as simple as possible.**

Once an amount is determined, we will begin the simple, but effective, process to finalize.
