

## **Tax Credit Program for Corporations**

The Tax Credit Program is a unique way for corporations, as well as, small businesses to support Saint Martin de Porres School.

### **Tax Credit and how it works:**

- For a one-year commitment, businesses receive a tax credit of 75% of their contribution and a Federal tax deduction for the remaining 25%.
- For a two-year commitment, businesses receive a tax credit of 90% of their contributions and a Federal tax deduction for the remaining 10%.

The Process and what to expect:

The process is fairly simple for all involved. Once you decide that you would like to participate, you can contact Leni Mayorga. Leni will explain the program and what to expect.

### **We are here to make it as simple as possible.**

Once an amount is determined, we will begin the simple, but effective, process to finalize.
